Production and sale

The preparation

The wrap cut and filled as wished is cooked at 190° or 250° depending on the induction plates (gas or electric) for about a minute.

A lighter wrap

Produced with top flours, Margarine without hydrogenated fats (or grapeseeds oil) and genuine ingredients. A tender product with tasty filled. You can roll it without brake it. On request wholemeal and kamut flour wrap.

So many way to use it

With fantasy you can use the roll in many ways. Awesome for quick lunches, Breaks and happy hours!

The filled

Other then the classic filled, the wrap is also very good with sweets flavors: nutella, jam, chestnut cream, etc. or anything else you'll choose!
